Joe Lankford called just a few minutes ago and told me that our meeting at the USAO tomorrow morning has been cancelled. The case has been assigned to Vicki Behenna. Naturally, you'll now have to be involved with every meeting. Joe has set a meeting with Vicki on Monday, February 18th at 2:00. I let Joe know that you have been busy - scheduling will have to be handled amongst the attorneys. I'm available no matter when. Thanks.
